I WAS MOLDED IN YOUR IMAGE, SENSEI.

What if I were a more serious teacher with the right motivations?

I KNOW IT'S NOT

WORTH THINKING ABOUT, BUT

Still in
His own image.
When he was
---SENSEI, YOU REALLY DO LOVE ME, HUH.

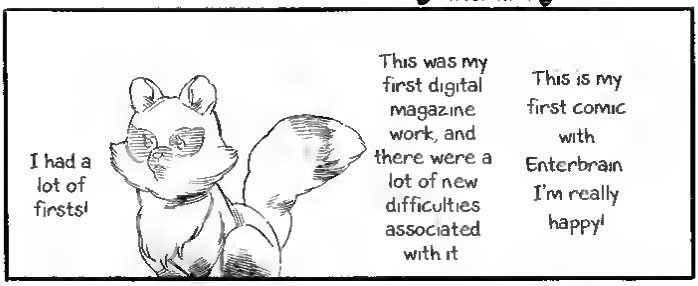
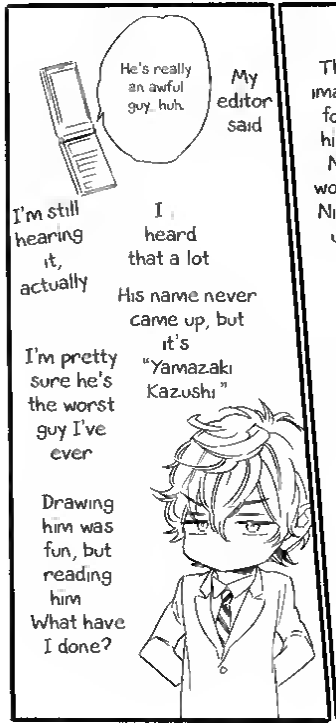
Before he changed into this.

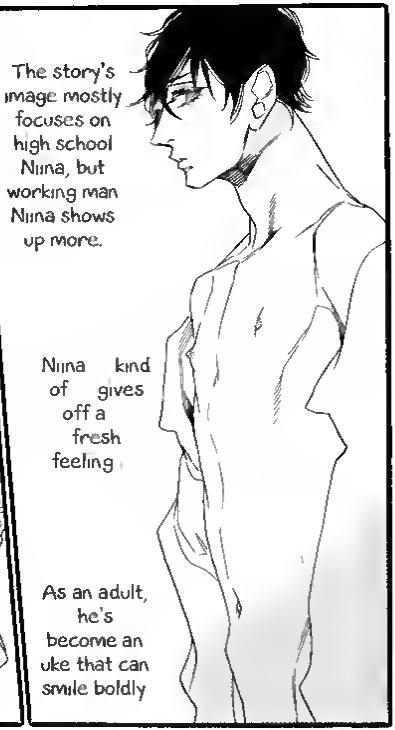
「TRAP after etory」■ END ■



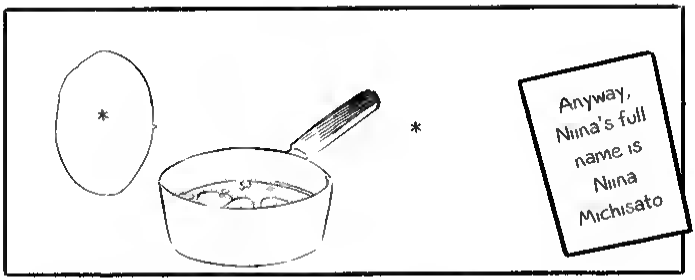
I had a lot of firsts!
This was my first digital magazine work, and there were a lot of new difficulties associated with it
This is my first comic with Enterbrain I'm really happy!



He's really an awful guy, huh.
My editor said
I heard that a lot
I'm still hearing it, actually
His name never came up, but it's "Yamazaki Kazushi"
I'm pretty sure he's the worst guy I've ever
Drawing him was fun, but reading him What have I done?



The story's image mostly focuses on high school Niina, but working man Niina shows up more.
Niina kind of gives off a fresh feeling.
As an adult, he's become an uke that can smile boldly



*Translator note: the rest is about failing at cooking
